BILLINGTON FOUNDATION

www.billingtonfoundation.org.uk

Working with carefully selected partner organisations, we are developing effective, impactful and sustainable programmes that support young people who are struggling to engage at school and may have lost focus, confidence and self-belief.

These are developed around the 'Skills Builder' framework and introduce transferable concepts such as problem solving, leadership, teamwork and creativity, to establish core skills that will enhance their educational chances and employment opportunities in the future.

If you would like to join us for the race day event or to discuss the opportunities mentioned, please contact Ian Watson by email: ian@thebillingtonfoundation.com or call: 07918603541. We will be glad to tailor sponsorship packages to suit your requirements.

THANK YOU FOR YOUR SUPPORT
